
give us the screen that looks like the one below. Now you can use all the built in reports. Report Website Analyzed If you select the Export section it will open up the Export-to-Excel function, like the one seen below. Everything you can do in Excel can be done in skynetworks too. Excel is really intuitive. It's as easy to use as word, just easier. If you have any issues using Excel check out the help section. Advanced Web 3e33713323
